Message From the President

Greetings fellow Republicans!!! Here is to taking back control in 2010. I would like to thank the Mayors from all the cities in the high desert to include Rudy Cabriales, Victorville, Thurston "Smitty" Smith, Hesperia, Peter Allen, Apple Valley and Gene Piehe, Mayor Pro Tem, Adelanto for giving us updates on what is going on in their respective municipalities. It is great to hear how all the cities in the high desert are working together to make this a better place to live, work and play.

Please remember that the Republican Headquarters is still open and just next door to the previous location at 17995 Highway 18, Suite 3 in Apple Valley. Should you wish to volunteer or help out in any way please contact Richard Rorex at the headquarters by calling (760) 946-5300.

The program this month will be the Randon Lane, **Meg Whitman's Inland**

Empire Field Representative. Randon will be sharing Meg's plan for California (Remember Jerry Brown did not have a plan before and does not have one now) and how we can help her win in November. Since we generally have the same attendance every month you no longer need to call me with your RSVP's however you still may do so if you wish to. Remember to bring guests and ask others to join our club and our efforts to take back control in 2010.

Thank you,

Ryan McEachron

President
