Message From the President

Happy New Year fellow Republicans! I hope you all had a joyous Christmas and are looking forward to our Party taking back control in 2010. I would like to thank Assemblyman Steve Knight for speaking to us in November and sharing with us how all that goes on in Sacramento affects business. It is very frustrating that we have all the regulation we do in this state which makes it so difficult to own and run a business. We all appreciate and applaud Assemblyman Knight's stance on these regulations and hopefully he will soon have some Republican friends to help him reverse all of those regulations. We had very good attendance and lots of questions so thank you all for attending.

Please remember that the Republican Headquarters is still open and just next door to the previous location at 17995 Highway 18, Suite 3 in Apple Valley. Should you wish to volunteer or help out in any way please contact Richard Rorex at the headquarters by calling (760) 946-5300. This is also membership renewal month and we have included a copy of the membership dues invoice with the newsletter.

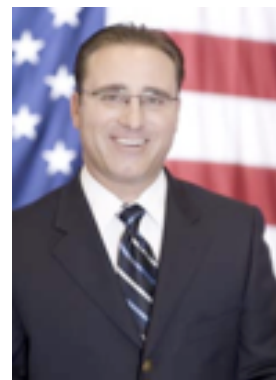

Please do what you can to return this to us before the end of January and if you can donate extra to the club in support of the headquarters it would be greatly appreciated.

The program this month will be 33 Minutes: Protecting America in the New Missile Age. This is the Heritage Foundation's new documentary on missile defense. Remember that I would now like to receive RSVP's from you all so please contact me at (760) 269-3300 and let me know that you are coming and if you are bringing any guests let her know who they are as well. My assistant Michelle Miles is now out on maternity leave thus why you are calling me directly. I would like all RSVP's by Friday, January 22nd at 12:00 Noon.

Thank you,

Ryan McEachron

President
